#### **Carrier Information**

The fields below should be completed by the carrier. The information provided should be sufficient for distributors in the chain to understand the value of the product, the intended target market and those to whom the product should not be marketed. Other information should be included (if relevant) to advise distributors of how their known or expected actions might affect the value of the product.

### **Product information**

This product has been subject to the carriers POG process and has been reviewed and signed off by our POG Panel as representing fair value to customers.

We assess the value of our products based on several metrics as well as customer and broker insight. This included review of the following MI

- Cancellation data
- Claims and complaints volumes
- Declinature rates
- Loss ratios
- Ex gratia payments
- Wordings review (technical and Plain English)
- Breaches of Lloyd's/FCA benchmarks and tolerances
- Root cause analysis

In carrying out this assessment, we take into consideration your remuneration. In addition, we will consider the add-ons that form part of our product.

This is a commercial insurance product designed for business customers who own properties which are let to third parties in exchange for rent.

If you sell additional add-ons (including premium finance) alongside our product or take additional remuneration, you may affect the value for your client and will need to take this into consideration in your value assessment.

Claims are handled by DCAs on this product. Complaints are handled in-house. Where claims are handled by third parties specific SLAs are in place to ensure that the best service is provided to our mutual customers.

This product is offered to customers in the UK

More detail on our product approval process can be obtained on request
